Grace Baptist Church
Application BPED-20060331AAC
Facility ID No. 91339

Grace Baptist Church:

This letter is in reference to the above-captioned application for increased facilities for WBLW-FM, Gaylord, MI.

Our International Bureau advises that Canada will not accept the proposal as filed. This application exceeds the presently negotiated limit of 2.60 kW ERP at 254 meters HAAT (or the equivalent) along the 32 degree azimuth toward CBON-18, Sault Ste. Marie, Ontario. Additionally, the proposed 34 dBu interfering contour overlaps, over Canada, the 65 km protected contour of CBON-18, Sault Ste. Marie, Ontario. Consequently, this application is unacceptable for filing and IS DISMISSED.

Sincerely,

Dale E. Bickel
