In re: W266AO, Buffalo, IN
Facility ID No. 140809
Silent since August 29, 2012

Request for Special Temporary
Authority to Remain Silent

Dear Mr. Martin:

This letter concerns the request you filed on September 4, 2012, on behalf of Calvary Radio Network, Inc. ("CRN"), for Special Temporary Authority to permit FM Translator Station W266AO to remain silent.

CRN's request states that Station W266AO went silent on August 29, 2012, pending the proposed modification of its transmitter site. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988¹.

CRN's request is granted. Accordingly, Special Temporary Authority is granted to permit Station W266AO to remain silent not to exceed 180 days from the date of this letter. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station W266AO will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., August 30, 2013.**² See Section 312(g) of the Communications Act, 47 U.S.C. § 312(g).

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. It is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed. See 47 C.F.R. §§ 17.6 and 73.1740(a)(4).

Sincerely,

Lisa Scanlan
Assistant Chief, Audio Division
Media Bureau

¹ In the event extension of special temporary authority is sought, please renew the certification in this matter.

² In addition to filing electronically with the Commission on the date operations resume, notification of resumption of broadcast operations must be emailed to Denise.Williams@FCC.gov.
