

**Exhibit 10**  
**Assignee's Qualified Educational Program**

The Commission has previously found that the proposed assignee, KCBX, Inc. ("KCBX") is a qualified noncommercial educational ("NCE") entity with a qualifying education program, in connection with the licensing of KCBX's existing NCE radio stations KCBX(FM), San Luis Obispo, California, and KSBX, Santa Barbara, California. *Please see, e.g.,* FCC File No. BPED-19890530MB. KCBX will use Station KBDH to advance a program similar to that found qualifying for its existing NCE stations KCBX and KSBX.

KCBX is a cultural resource which exists to enlighten and enrich the quality of life for the people within its listening areas. KCBX strives to serve the listening public with interests in classical music, jazz, alternative musical arts, and public affairs programs. In addition, KCBX encourages an interest in and appreciation of fine arts and issue-oriented news for the people of its communities.

KCBX proposes to operate KBDH, the subject of this assignment, as a satellite of its flagship station KCBX, San Luis Obispo. KCBX features a wide range of programming, such as news, public affairs, jazz, and classical music programs, including locally-produced programs. KCBX's long-standing qualifications as a noncommercial educational license are a matter of record with the Commission. KCBX respectfully submits that its experience as an NCE radio station licensee has clearly demonstrated its commitment to, and capability of, providing quality educational broadcast programming. KCBX will continue to provide high quality public radio in connection with the proposed assignment.
