

**MULTIPLE OWNERSHIP
EXHIBIT 5**

Pursuant to the rule making granted in MB Docket No. 03-26, Cumulus Licensing LLC is filing this application to change the community of license of Station KMAJ-FM from Topeka, Kansas to Shawnee, Kansas. Because CDBS still lists Station KMAJ-FM's community of license as Topeka, this exhibit provides multiple ownership studies for the Topeka, Kansas and Kansas City, Missouri-Kansas Arbitron Metros.

Kansas City, Missouri-Kansas

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having between 30 and 44 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 7 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). In the Kansas City, Missouri-Kansas Arbitron Metro there are 43 commercial and noncommercial educational full-power radio stations. This application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555 because only three full-power radio stations in the same service (KCHZ(FM), KMJK(FM) and KMAJ-FM) are attributable to Cumulus Licensing LLC and any party to this application.

Topeka, Kansas

According to the Commission's local ownership "tiers," in a Metro reported by BIA as having between 15 and 29 (inclusive) "home" commercial and noncommercial educational full-power radio stations, a party may have a cognizable interest in up to 6 commercial full-power radio stations, not more than 4 of which are in the same service (AM or FM). In the Topeka, Kansas Arbitron Metro there are 15 commercial and noncommercial educational full-power radio stations. This application complies with the local radio ownership portion of the multiple ownership rules set forth in 47 C.F.R. Section 73.3555 because only 6 full-power radio stations (KDVV(FM), KMAJ-FM,¹ KMAJ(AM), KQTP(FM), KTOP(AM) and KWIC(FM)) are attributable to Cumulus Licensing LLC and any party to this application.

In addition, the principal community contour of Station KMAJ-FM does not overlap the principal community contour of any full-power commercial or non-commercial radio station that (i) is not located within or "home" to the Kansas City, Missouri-Kansas or Topeka, Kansas Arbitron Metros and (ii) is attributable to Cumulus Licensing LLC or any party to this application.

¹ When this application is granted, the station is constructed, and the license application is filed, KMAJ-FM will no longer be licensed to a community in the Topeka, Kansas Arbitron Metro.
