This is to certify that I personally inspected the installation of the WAVK(FM), Shively directional antenna. The antenna is assembled and installed in the manner specified in the manufacturer's instructions. I further certify that I assembled the Shively balanced combiner which feeds the antenna and that it also is assembled in the manner specified in the manufacturer's instructions.

I, Robert M. Smith Jr., of Port St. Lucie, FL, certify that I am a qualified broadcast engineer with over 30 years experience in the field and that I am the proprietor of R. M. Smith Associates of Jensen Beach, FL. My qualifications are a matter of record with the Federal Communications Commission.
