

## Engineer's Declaration

I, Clint A. Heiser, subject to the penalties of perjury, do declare the following:

1.) That I graduated from Pennsylvania College of Technology with an Electronics Technology Degree and from Pennsylvania State University with a Bachelor of Science in Electrical Engineering.

2.) That I have experience working in radio as a broadcast engineer for 20 years.

3.) That I am employed as a Senior Staff Systems Engineer with Motorola Solutions, of Columbia, Maryland.

4.) That I was retained by Beaver Springs Faith Baptist Church, INC. for the purpose of preparing its application for the construction permit of WFBV-FM Selinsgrove (City), Pennsylvania (State), from which the underlying Construction Permit (FCC File Number BMPED-20071017ABA) was granted by the Commission.

5.) That I am familiar with the terms and conditions of the WFBV -FM Construction Permit.

6.) I hereby certify that I have overseen the installation of the WFBV -FM directional antenna and that the installation was complete to the manufacturer's instructions.

Sign Clint A. Heiser Dated: 12/30/11 mm/dd/yy
