Subject: Program Test Authority -- KGIL -- BLH-20131023AEA
Date: Monday, October 28, 2013 2:48:17 PM

This e-mail is in regard to license application BLH-20131023AEA for KGIL. Program test authority is requested for full power operation in accordance with construction permit BNPH-20091019ABE. We have reviewed the license application and related exhibits and find the application to be acceptable for filing.

Consequently, by this e-mail, program test authority IS GRANTED to permit KGIL (FM) to operate at an effective radiated power of 0.34 kW ERP (directional) with the facilities authorized in construction permit BNPH-20091019ABE.

This authority is being sent by e-mail in lieu of a letter in order to get this authority to you as soon as possible. Please print a copy of it and keep it with the station's records. The grant of this program test authority will also be noted in the FCC's CDBS database.

The license application will be granted after the December 1, 2013 renewal date for California radio stations.

If there are any questions, please contact me at 202-418-2706.
