Lloyd M. Moss
Corporate Chief Engineer

Dear Lloyd:

This letter will serve as a certification regarding the antenna installation for which we gave you the bearing of S 15° W.

I, David Alvarez, Sr., Professional Land Surveyor #4050, registered in the State of California, herby certify that on March 10, 2012, I directed a survey to check the alignment of a radio antenna at a communication site located at 9991 Lone Tree Road in Hollister, CA 95023 (Lat 36.903611, Lon: - 121.230278). We found the bearing of the antenna to be S 15° W or an azimuth of 195°.
