**Re: WQNO, Facility ID No. 74090, New Orleans, LA
BP-20130930AWX
Request to Suspend Processing**

Dear Ms. Dortch:

Catholic Community Radio, Inc. ("CCRI"), licensee of Station WQNO (AM), New Orleans, Louisiana, herein requests a one-week further extension to **May 20, 2014**, of the suspension of processing of the above-referenced application for modification of WQNO's facilities.

In a letter dated February 12, Mr. Son Nguyen, Supervising Engineer, Audio Division, Media Bureau, granted a 90-day processing suspension (*i.e.*, until May 13, 2014) to allow CCRI to consider and analyze possible slight modifications to the location and design of the facilities to be used in the operation of WQNO.

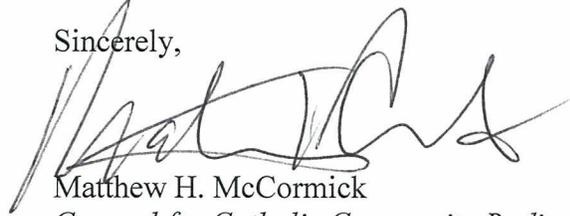

CCRI has decided upon using a two-tower array and its consulting engineer, William Culpepper, is in the process of preparing an amendment to the above-referenced modification application. Mr. Culpepper has indicated that he will need more time to complete his work.
