Dear Mr. Alpert:

This letter is in reference to the above-captioned minor change application filed by Harney to modify station KBNH(AM), and the March 6, 2012, request for an additional 90 days to submit the environmental showing.

According to our records, we granted Harney multiple requests for extension of time to amend the application.¹ Therefore Harney is hereby granted a final thirty (30) day period to file a curative amendment to bring the application into substantial compliance with the Commission's rules. No further requests for additional time will be accepted or considered. Failure to file a curative amendment by April 27, 2012, will result in the dismissal of this application pursuant to 47 C.F.R. § 73.3568.

Sincerely,

Son Nguyen
