To Whom It May Concern,

AS per the application process please see below our educational goal and purpose as well s our proposed schedule of programming.

Flint Odyssey House Inc, is a recovery based Non- Profit based in Flint, Michigan our primary goal is to educate the mass on the effects of addictions and the means to brake these effects.

For over 25 year Odyssey House has been a pillar in the Flint Community providing anti-addiction services to Flint and the surrounding communities addicted citizens. Our educational program is three fold;

1._ Employability 2._Life Skills 3._ Family Development

and will be strengthened by our radio broadcasts.

|--|------------------------------|
| We will use the radio station and its reach to touch the community with; | |
| Testimonial programming | When to get help programming |
| Recovery options | Talk shows |
| Call in shows | |

| | |
|---|--------------------------------|
| We also certify that we qualify for the following consideration points; | |
| Local programming origination | Main studio |
| Diversity of ownership | Established community presence |

With theses certification we believe we qualify for the additional application point and qualify as a acceptable entity to apply for the LPFM Radio station construction permit.

Sincerely yours,

Ronald Brown
