

**EXHIBIT 10**  
**(Section III, Question 3)**

The proposed assignee certifies that copies of the Asset Purchase Agreement for the sale of the station and the related Escrow and Transition Services Agreement have been placed in the public inspection file, and fully comply with the Commission's rules and policies. As described in Exhibit 4 to this application, certain schedules and exhibits to the agreements that are not material to the Commission's consideration of this application have been omitted from the copies of the agreements provided herewith and in the public file.
