LAND SURVEYORS LETTER OF CERTIFICATION

I, Randall A. Mercier, a Registered Land Surveyor of Nashville, Davidson County, Tennessee, do hereby certify to Nashville Public Radio, 630 Mainstream Drive, Nashville, Tennessee, the following:

On December 7th, 2000, I confirmed by performing a field survey, that the WTML antenna system has been oriented at the proper azimuths as depicted on the attached mechanical drawing supplied by Shively Labs – Bridgeton, Maine.

Randall A. Mercier, RLS

ENGINEER CERTIFICATION

I, Carl N. Pedersen, do hereby certify and declare under penalty of perjury under the laws of the United States:

That I hold a degree in Physics from Southern Adventist University, in Collegedale, Tennessee;

That my qualifications in telecommunications matters are of record before the Federal Communications Commission, having been presented and accepted upon many occasions in the past;

That I am employed by Nashville Public Radio as Vice-President of Finance and Technology; that I personally supervised the installation of the directional antenna for WTML, that this antenna was constructed as per the manufacturers specifications, was installed on the tower at the proper heights, azimuth orientations, and vertical spacing, and that all information presented herein is true and correct of my own knowledge and belief.

Carl N. Pedersen
