

ENGINEER'S DECLARATION

I, John Mathews, do declare the following:

1. I have been a practicing broadcast engineer for 24 years and my name is a matter of record with previous filings with the FCC.
2. That I was retained by Williams Communications, Inc. for the purpose of preparing its application for the license of WHMA-FM Alexandria, Alabama, from which the underlying Construction Permit (FCC File Number BPH-20071214AAR) was granted by the Commission.
3. That I am familiar with the terms and conditions of the WHMA-FM Construction Permit.
4. I hereby certify that I have overseen the installation of the WHMA-FM directional antenna and that the installation was complete to the manufacturer's instructions outlined in the Proof of Performance Drawings (Exhibit 10) for WHMA-FM.
