

Directional Antenna Installation Certification

In compliance with FCC Regulation 73.316, section (c), paragraph (8), this is to certify that the ERI model MP-3E-DA directional antenna for Radio Station WRCM operating at 91.9 Mhz and licensed to Wingate, NC, has been erected according to design and installation instructions provided by Electronics Research, Incorporated (ERI) of Chandler, Indiana.

This document is in Lieu of documentation from the licensed surveyor regarding antenna installation compliance.

The installation was supervised by Mr. Steve Rhinerson, of ERI. I have been employed by ERI Since 2001, and served in the capacity of Installations Manager for the past six (6) years, I have performed and supervised numerous installations.
