FEDERAL
COMMUNICATIONS
COMMISSION

This authorization becomes invalid and must be returned to the Commission if the stations are not placed in operation within eight months, unless an extension of time has been granted. EXCEPTIONS: 1) 800 MHz trunked and certain 900 MHz station licenses cancel automatically if not constructed within 1 year 2) IVDS authorizations automatically cancel if service is not made available in accordance with Section 95.833(a) of the Commission's Rules 3) There are no time limitations for placing GMRS stations in operation.
