

The purpose of this Form 316 application is to implement a company reorganization. The reorganization will not result in any change in the party ultimately controlling WAAO-FM. That station is presently licensed to Companion Broadcasting Service, Inc., whose sole shareholder (100% votes and equity) is Lee Williams.

Under the proposed reorganization, the WAAO-FM licenses will be assigned to Companion Broadcasting Service, LLC, an Alabama limited liability company. Lee Williams is proposed as the sole member (100% votes and equity) of Companion Broadcasting Service, LLC.
