**Re: Radio Vision Cristiana Management (FRN 0005-0749-68)
Station WWRV(AM), New York NY (Fac. ID #54874)
File No. BP-20131104AQW
Request for 90-Day Extension of Time to Amend**

Dear Ms. Dortch:

I am writing to you on behalf of my client, Radio Vision Cristiana Management {"Radio Vision"}, licensee of the above-referenced AM station, concerning the need for an amendment to our above-referenced pending application. A June 17, 2015 letter from Mr. Son Nguyen, Supervisory Engineer of the Audio Division of the Commission's Media Bureau, granted Radio Vision until September 17, 2015 to file a curative amendment. For the reasons that follow, this letter respectfully requests an additional 90 days to amend the application. An original and two (2) copies of this request are being filed.

Radio Vision is continuing to explore alternative ways to make its application grantable. This includes negotiations with Station WENA(AM), Yauco, Puerto Rico, to devise an acceptable technical solution to eliminate the nighttime protection issue. WWRV will need more time to explore this approach or to otherwise amend its application. Therefore, Radio Vision respectfully requests 90 more days to file a curative amendment.

Many thanks for your continued understanding and cooperation in this matter. Please direct any communications or inquiries concerning this matter to the undersigned.

Very truly yours,

Jerold L. Jacobs
