

EXHIBIT 22

The following summarizes the allegations made against Venture Technologies Group, LLC. Paul Koplín and Lawrence Rogow are attributable owners of Venture Technologies Group, LLC and of the assignee.

1) KMCE, Inc.

On June 26, 2006, KMCE, Inc. Filed an Informal Objection to the grant of a license to cover application for station KSCZ-LP, Greenfield, CA (FCC File No. BLTTL-20060522ABM). The Informal Objection asserted that certain allegedly inconsistent or incorrect filings made in connection with this facility raise questions as to Venture Technologies Group's ("VTG") fitness to be a commission licensee. VTG filed an Opposition to this informal objection on July 31, 2007.
