

TECHNICAL STATEMENT
IN SUPPORT OF
MODIFICATION OF LICENSE
WBXX CH-285A MARSHALL, MI.
FCC I.D. 37463

The sole purpose of this instant application is to request a coordinate correction of the stations current authorization.¹

The coordinates as listed on the current authorization are:

42° 18' 47" N 84° 55' 46" W NAD '27

Requested coordinates:

42° 18' 52" N 84° 55' 43.8" W NAD '27

This change in coordinates match the antenna's supporting structures ASR² and the FAA³ determination and have been verified to be correct. No physical change to the transmitting facility is requested herein.

This minor change in coordinates has no effect on the station's spacing under §73.207 as shown in Figure 1.
