

**NATURE AND EDUCATIONAL PURPOSES OF APPLICANT**

**Non-Profit and Educational Nature**

It is the intent of the applicant to operate the proposed station in a manner consistent of Subpart G of Part 73 of the Commission's Rules.

The applicant, a non-profit benevolent, religious and educational organization, is a South Carolina non-profit corporation which was incorporated on June 11, 1982 and has been in continuous existence in Greenville, South Carolina since that time.

The applicant supports the religious educational activities of the local Catholic schools and parish churches in the Greenville, South Carolina area.

In *Columbia Bible College Broadcasting Co.*, 6 FCC Rcd 516 (1991), at paragraphs 9 and 10, the Commission stated that religiously-oriented applicants can meet the eligibility standards set forth in Section 73.503 of the Commission's Rules, where the applicant (1) proposes an overall educational program and (2) its proposed programming furthers its educational objectives. As can be seen by this Exhibit, the applicant has been in operation for over thirty years in Greenville, South Carolina, has been in continuous operation for more than 24 months at the same location, and its purposes evidence an overall educational program.

**Furtherance of Educational Objectives**

The applicant is eligible pursuant to Section 73.503 to be a non-commercial licensee of the station covered by this application, because the applicant proposes

programming which constitutes an overall educational program and the programming furthers the organization's educational objectives. In this case, the applicant intends to broadcast programs to further its educational purposes as outlined above.

Although the exact titles and subject matter of the programs will be determined at the time the proposed station is constructed and ready for operation, we can state that the selection of all programs to air on our proposed station will be consistent with and guided by the foregoing mission statement. A possible program schedule is attached.

The proposed low power FM station will also work with local Roman Catholic parishes, catechism programs and organizations to assist their educational efforts with respect to teaching of the Catholic religion.

In sum, it is our objective to use the proposed radio station to provide a valuable educational resource for the residents of the area that we propose to serve.
