

SAINTE PARTNERS II, L.P.
BT KCVU-DT - Paradise, CA - Fac ID 58605

EXHIBIT 42
Engineering Statement

The applicant is presently authorized, under File No. BPCDT-19990908AAW, to construct the reference station. In order to provide an improved service, it is now proposed to make engineering changes (summarized in attached Exhibit 42A) and to correct the site coordinates. However, as shown in attached Exhibit 42B, the authorized service contour is not exceeded at any point.
