

**MULTIPLE OWNERSHIP  
EXHIBIT 5**

Station KRRF is applying to relocate to the Oxnard-Ventura Arbitron Metro.

According to the Commission's local ownership tiers, in a Metro reported by BIA as having 15-29 "home" commercial and noncommercial educational full power radio stations, a licensee may have a cognizable interest in up to 6 full power radio stations, not more than 4 of which are in the same service (AM or FM). In the Oxnard-Ventura Arbitron Metro, there are 19 such stations (see attached BIA listing). This application complies with the local radio ownership limits set forth in 47 C.F.R. Section 73.3555 because only three (3) FM radio stations (KBBY, KHAY and KVYB) and one (1) AM station (KVEN) are attributable to the licensee or any of its attributable parties.

In addition, the principal community contour of Station KRRF does not overlap the principal community contour of any other full power commercial or noncommercial educational radio station that (i) is not located within the Oxnard-Ventura or another Arbitron Metro rated market and (ii) is attributable to the licensee or any of its attributable parties.
