**RE: KIEI-LP Fac. ID 194172 San Antonio, TX Silent STA Request**

To Whom It May Concern,

We have been asked by Lighthouse Network, Inc. ("Lighthouse"), licensee of KIEI-LP 194172 to inform the Commission that KIEI-LP has gone silent.

The Licensee of KIEI-LP has lost its current tower space, and ceased broadcasting. The board of KIEI-LP is seeking a new location for their transmit antenna as quickly as possible.

Lighthouse is requesting a Silent STA as they are looking for a new transmit location that can be achieved by means of a minor modification application. The licensee anticipates submittal of a 318 minor to this new location very shortly.

Respectfully,

Charles Burkhardt, Chief Engineer  
Sterling Communications, Inc.
