

## DPCI EXHIBIT II

Dwelling Place Church International's (DPCI) reaches our community, Cleveland, TN, committed to serving our members and the Cleveland area community locally through training & benevolence. Dwelling Place Church International is a giving, loving and leading organization on a mission:

- **Help people grow**
- **Strengthen families, singles, and youth** through men's networks, women's empowerment, marriage encounters, POP kids activities, and E3 student groups
- **Serve our local community and the world** through local servanthood, leadership events and community outreaches such as DPCI Life Clinics

### Education & Training

Our mission is about education and training to prepare future leaders with information, networking, to make them effective in their areas of expertise. We teach leadership skills and provide seminars and training, including events.

- Advanced media, video and audio production studios, training individuals
- Creative arts teams including musicians, vocalists, youth band, children's dance, youth dance, dramatic arts and visual arts
- Resource center and networking areas utilizing the latest social and media technology along with web-based training
- Intensive training and mentoring for those serving in the marketplace, government, service industries, non-profits, ministries and other influential sectors of society
- Scholarships have been provided for two students attending the University

### Local & Global Outreach To Include a Low Power FM Station

The goal of our outreach events is to foster a strong sense of belonging through giving, loving, and leading in our community and partnering with other organizations to build community among the families, children, and youth in the greater Cleveland area. A low power FM would give us the advantage to use the radio to connect people with our service, by promoting and invitation. It will allow us to further connect our services with people.

- Kidz Blitz is our outreach held annually in the spring. A totally free event to the community at-large, Kidz Blitz provides fun family activities such as bounce houses, face-painting, games, hotdogs, popcorn, cotton candy and other concessions. We also give away hundreds of dollars of prizes including: bicycles, iPods, games, toys, gift cards for groceries and restaurants, and so forth.
- Thanksgiving Baskets have been provided by DPCI to over 50 families identified as being in need by local social service agencies in the past two years. This year DPCI will provide Thanksgiving Baskets to families in hospital waiting rooms on Thanksgiving day.

- Disenfranchised – We have hospital, nursing home, and prison teams who visit regularly to counsel with those in need.
- Life Clinic is a free, annual outreach of DPCI. Life Clinic is open to any and all families and individuals that live in the 6<sup>th</sup> Ward of Cleveland. We partner with over 40 other organizations to provide free mammograms and screening; medical check-ups; vision screenings and eyeglasses; dental cleanings and checkups; haircuts; concessions; personal items; and shoes and books for children. We specialize in Local benevolence outreach in our community. We have partnered with governmental agents and social care workers. We sponsor or regional conferences to support and train single parents. We hold personal finance seminars regularly and counsel debt management. We are involved in the creative arts, members who are book publishers, magazine publishers, artists, and have published songs and produced CDs.

#### Services of DPCI RADIO:

- Promote Hospitality: receptions, dinners, hosting events
- Aid in connecting people with Benevolence: Thanksgiving baskets, single mom's offerings, back-to-school assistance
- Promote POP Kids: nursery, preschool, elementary children
- Broadcast Live Music Concerts for the area
- Provide Instructional and Public Affairs Programming from our wealth of talented members
- Use materials recorded from our workshops to create programs
- Promote or Visitation Teams and Community Connections including our Prison Visitation Program
- Media Team Training: now adding radio to video program, website, social media
- Radio Sponsored Special Outreach Events
- Radio will connect our Services with people

On air we could provide Instructional Bible Teaching Church for Adults, Teenage and Children, offering family oriented programming, instructional, wholesome music. DPCI programming will center on building strong families and community. We will provide contemporary rock folk inspirational music, Biblical Instructional Teaching, spiritual mentoring, and community involvement.

Christian Rock Music, Informational Programs, talk shows, music information programs for new music discovery, public service announcements, news, weather, church services, broadcast of Bible teaching classes. DPCI will include inspirational folk/rock music and various genres that will be attractive to a wide demographic. Youth friendly music will be the focus, especially in the early mornings and late evenings. We plan to provide talk segments for adults and youth on topics that strengthen the family and relationships. The demographic in Cleveland is younger since we have two Universities. We will conduct interviews with community leaders about organizations and events. We plan to air Family Broadcasts such as Focus on the Family, Larry Burkett, Jay Sekelow and James Paris Financial Advice.
