

ATTACHMENT A

Statement Regarding Contingent Applications

CXR Holdings, Inc. ("CXR"), licensee of WBHJ(FM), Tuscaloosa, Alabama, and Williams Communications, Inc. ("Williams"), licensee of WASZ(FM), Ashland, Alabama, pursuant to Section 73.3517(e) of the FCC's Rules, are filing on a contingent basis on the date hereof applications for modifications of their respective facilities to implement the FCC's Report and Order in *Ashland, Coaling, Cordova, et. al.* in MB Docket No. 03-77, described as follows:

1. WBHJ(FM). CXR's application for WBHJ proposes Channel 239C2 at Midfield, Alabama. CXR's WBHJ application requests processing under Section 73.215 of the FCC's Rules to provide contour protection to the facilities specified in Williams' WASZ(FM) application, described below.

2. WASZ(FM). In coordination with CXR's WBHJ application, Williams proposes to specify Hobson City, Alabama, as WASZ(FM)'s new community of license. Williams' application also requests processing under Section 73.215 of the FCC's Rules to provide contour protection to the facilities specified in CXR's WBHJ application.

The parties request that these applications be processed and acted upon together and that neither of them be granted or acted upon in the absence of the other.

Attached to this application is the following facilities modification agreement between CXR and Williams:

Facilities Modification Agreement made and entered into on May 21, 2002, by and among Cox Radio, Inc., CXR Holdings, Inc. and Williams Communications, Inc.
