Imlay City, MI 48444

Dear Mr. Czelada:

RE: Antenna Azimuth
Project Number 10510

I have measured the azimuth of the new directional antenna located at 10861 W. Cadillac Road, Cadillac, Michigan. The antenna's geodetic azimuth is 227°28'57", measured by GNSS on the Michigan State Plane Coordinate System, central zone, NAD83.

Sincerely,

Tricia Muxlow
