

**University Radio Foundation  
Charlotte, North Carolina**

**Declaration**

I declare, under penalty of perjury, that I am a Director of Engineering for WFAE, licensed to University Radio Foundation, Inc, that I have over twenty-five years of experience in the engineering of broadcast and other communications systems, that I am familiar with the Federal Communications Commission's Rules found in the Code of Federal Regulations Title 47, that I have prepared or assisted in the preparation of the attached Engineering Exhibits for University Radio Foundation, Inc., and that all of the facts therein, except for facts of which the Federal Communications Commission may take official notice, are true to the best of my knowledge and belief.

I hold General Radio Telephone Operator License PG-5-2486 issued as replacement for a First Class Radiotelephone Operator License first issued in 1979. I have installed or supervised the installation of numerous directional and non-directional FM antenna systems. I have supervised the installation of the directional antenna for WFAE, Charlotte, North Carolina. I certify that the WFAE antenna is installed according to the installation drawings provided by the manufacturer.
