All contracts, advertising agreements, purchase orders, and other similar

documents and instruments negotiated and executed by Broker on its behalf as Broker after the Commencement Date shall be in the name of Broker, provided that Broker shall not represent or warrant in any fashion that it is the licensee of the Stations.

3. Payments. As consideration for the right set forth in Section 2 hereof, on the Commencement Date, Broker will pay to Licensee the sum of _____ Dollars per month, payable in arrears on the last day of each month, and, in addition, Broker shall reimburse Licensee for the expenses of Licensee for operation of the Station including those set forth in Section 6 below.

4. Right to Reject or Preempt Programs. Notwithstanding the grant to Broker by Licensee of the right set forth in Section 2 hereof, Licensee shall retain full authority and power over the operation of the Station at all times during the term of this Agreement. Licensee shall retain complete control over the policies and operations of the Station, including specifically the Station's personnel, finances and the Programming, and also including, without limitation, the right to decide whether to accept or reject any of the Programming (including but not limited to advertisements) for broadcast by the Station, in advance of such broadcasts, and the authority to preempt any of such Programming for other programming deemed by Licensee, in its sole discretion, to be of greater national, regional, or local importance, or necessary to address the needs, interests, and issues of the Station's community of license and service area.

5. Station's Staff. Licensee shall employ on a full-time basis for the Station at least two individuals, one of whom shall serve as the General Manager of the Station, as shall be required by the rules and regulations of the FCC to oversee the operations of the Stations, and to be the designated representative of Licensee at the Station for purposes of compliance by

Licensee with the provisions of this Agreement and compliance with all applicable legal requirements, rules and regulations of the FCC, including the FCC's main studio rule. The same individuals may be designated for the Station.

6. Facilities. Licensee has acquired and installed, and will maintain the necessary transmission equipment to continue to deliver a broadcast signal in accordance with the terms and specifications of its FCC license. Licensee shall be responsible for insuring that each Station's transmitting facilities shall continue to comply at all times with the relevant rules, regulations and policies of the FCC and other applicable governmental authorities. Licensee shall (i) procure and maintain loss and liability insurance coverage for all of the Station's facilities commensurate with standard industry practices; (ii) pay all metered costs of electricity involved in the operation of the Station during the term of this Agreement; (iii) bear all maintenance costs of the broadcast and other equipment owned by Licensee and used in connection with the operation of the Station; and (iv) maintain its corporate existence in good standing, pay all taxes and assessments owed by Licensee on account of its ownership of its property or its operation of the Station, including the Station's transmitting facilities, or on account of this Agreement or otherwise. In the event that any FCC authorizations (other than license renewal or other routine filing fees) shall be required by either Licensee or Broker in order to enable Broker to originate and relay programs to a Station's transmitting facilities for broadcast by the Stations, or to change the call letters of the Station, both parties shall cooperate in obtaining such authorizations, it being agreed that all expenses for same shall be borne by Broker. Licensee shall continue to maintain the EAS authorization and public files of the Station as now established.

7. Lease of Studio Facilities. Licensee will make available to Broker the Station's studio facilities and the office space at the Station's studio location, if requested, for the use of Broker for no additional consideration, as long as this Agreement is in effect. The cost of any improvements to such space shall be obligation of Broker. Electrical service, HVAC, water, security and telephone service shall be paid by Broker as part of this lease.

8. Force Majeure. Any failure or impairment of facilities or any delay or interruption in broadcasting Programming, or failure at any time to furnish facilities, in whole or in part, for broadcasting, due to acts of God, strikes or threats or force majeure or due to causes beyond the control of Licensee or Broker, shall not constitute a breach of this Agreement and Licensee will not be liable to Broker, until the event of force majeure has concluded.

9. Compliance with Laws. Broker hereby represents and warrants to Licensee that all Programming presented by Broker for broadcast by the Station pursuant to this Agreement will comply with all legal requirements, including, but not limited to, the FCC's rules, regulations and policies. Licensee reserves the right to refuse to broadcast any Programming which, in Licensee's sole opinion, determined in good faith is inconsistent with its duty to operate in the public interest. In the event that in the opinion of Licensee, the Programming furnished by Broker, fails to conform to Licensee's requirements, Licensee shall have the right, without prejudice to any other rights they may also have, to:

- (a) Furnish and/or substitute broadcast material prepared by Licensee,
- (b) Edit the proffered Programming, or
- (c) Refuse to furnish the Station's transmission facilities to Broker.

In all such cases, however, Licensee will endeavor to notify Broker of any changes or substitutions in advance of the broadcast wherever reasonably possible. In no event shall any preemption, deletion or failure to broadcast Broker's programs take place for the commercial or economic advantage of Licensee and Licensee shall not sell any preempted time to any third party.

10. Political Advertising. Licensee will oversee and take ultimate responsibility with respect to the provision of equal opportunities, lowest unit charge, and reasonable access to political candidates, and compliance with the political broadcast rules of the FCC. Broker shall cooperate with Licensee as Licensee complies with the political broadcast rules of the FCC. Broker shall supply such information promptly to Licensee as may be necessary to comply with the lowest unit charge requirements of federal law. To the extent that Licensee believes necessary, in its sole discretion, Broker shall release advertising availabilities to Licensee to permit it to comply with the political broadcast rules of the FCC, including but not limited to Section 315 of the Communications Act of 1934, as amended; provided, however, that revenues received by Licensee as a result of such a release of advertising time shall promptly be remitted to Broker, net of any direct out-of-pocket costs incurred by Licensee in selling the political advertising and administering its broadcast.

11. Payola. Broker agrees that it will not accept any consideration, compensation, gift or gratuity of any kind whatsoever, regardless of its value or form, including, but not limited to, a commission, discount, bonus, material, supplies or other merchandise, services or labor (collectively "Consideration"), whether or not pursuant to written contracts or agreements between Broker and merchants or advertisers, unless the payer is identified in the

program for which Consideration was provided as having paid for or furnished such Consideration, in accordance with and to the extent required by the Communications Act and FCC requirements.

12. Response to Inquiries. Licensee shall cooperate with Broker in responding to any question, comment, or complaint from any third party (other than a governmental authority or agent thereof) with respect to any Programming broadcast by the Stations that was presented for such broadcast by Broker; provided, however, Broker shall immediately forward to Licensee all written questions, comments or complaints. All responses to questions, comments or complaints with respect to Programming are subject to the approval of Licensee. If requested by Licensee, Broker shall cooperate fully with respect to all responses to such questions, comments or complaints.

13. Control of the Station. All obligations of Licensee hereunder are subject to its overriding obligation as a public trustee to serve the needs and interests of its service area and to broadcast programming that Licensee views as consistent with those needs and interests and the rules and regulations of the FCC. Broker shall not exercise control over the Station, and Licensee shall be solely responsible for the operation of the Station and maintenance of the FCC licenses.

Broker recognizes that Licensee, as the Station's licensee, has the authority and obligation to remain in complete control of the operation of the Station. Nothing herein shall be construed as in any way limiting Licensee's right and obligation as an FCC licensee to make the ultimate and non-delegable decisions concerning the programming to be broadcast on each Station, including but not limited to the right to reject or refuse to air such portions of Broker's

Programming as Licensee may, in its sole discretion, believe is unsatisfactory, unsuitable, or contrary to the public interest.

14. Right to Use Programs. The right to use any programs (or portions thereof) presented by Broker for broadcast by the Station hereunder, and the right to authorize such use in any manner or in any media whatsoever, shall be and shall remain vested in Broker. Licensee shall not authorize, cause or permit, without Broker's prior written authorization, any program or other material supplied to Licensee under this Agreement to be recorded, duplicated, rebroadcast, or otherwise transmitted or used for any purpose other than broadcasting by the Station at the times specified by Broker and in the community and service area to which each Station is licensed, as provided herein. Licensee shall broadcast all Programming (including all commercial advertising material) without modification, addition or deletion, provided that said Programming is not rejected or replaced pursuant to this Agreement, at the hours and on the days specified in Broker's program schedule.

15. Disclosure of Information. The parties recognize and acknowledge that during the term of this Agreement, either may from time to time become privy to information belonging to the other involving rates, program information, client list(s), and other information which is proprietary, valuable, special and unique to the business of either (whether or not specifically related to each Station), and that the appropriation of such information by the other could work substantial and irreparable harm to either Broker or Licensee, as the case may be, and the resulting business of either. As a result, neither Broker or Licensee shall communicate or disclose at any time during or after the term of this Agreement any information relating to client lists or other proprietary information, or any part thereof, to any other person, firm, corporation,

association, or other entity for any reason or purpose whatsoever, except as may be required by the rules and regulations of the FCC. In addition, Broker and Licensee shall each exercise its respective best efforts to prevent the use of copyrighted material and trade secrets of the other by any person or entity which prior thereto has not been authorized by Broker or Licensee to use such information. Such prohibited disclosure by Broker or Licensee shall constitute a breach of this Agreement, and in such event the other party may seek compensatory damages.

16. Non-Default Termination. This Agreement shall be automatically terminated upon the transfer and assignment of the FCC broadcast licenses of the Station to Forever Broadcasting, LLC, and upon the purchase of the Stations' assets by Broker, and may be terminated by the parties, as provided by this Section and its subparts, if no default has occurred and without fault or further obligation to the other party in the following circumstances:

(a) License Termination. By Broker if (i) the Station is displaced from its original channel, or (ii) the main license for the Station is terminated, for whatever reason, by the FCC, and such order of termination has become a Final Order, and (iii) commercial broadcasting cannot be resumed within thirty (30) days of the cessation of operation.

(b) Modification of Facilities. By Broker, if any action by the FCC results in changes to the Station's facilities, including but not limited to, power, frequency, or hours of operation, such changes occurring at any time during the Term of this Agreement so that the broadcasting of Broker's Programming by the Station is of a materially diminished value than it was as of the date of this Agreement. Changes in transmitter site, however, which do not result in any material reduction in the number of

people in the Station's coverage area, will not create any entitlement to modify or terminate this Agreement by Broker.

(c) Implications of Law. By either party in the event that this Agreement or the involvement of either party is deemed, preliminarily or otherwise, to be in material violation of the Communications Act of 1934, as amended, or any rule, policy or order of the FCC; provided, however, that each of the parties hereto must use its best efforts to rectify promptly any such material violation.

Upon a termination in accordance with this Section and its subparts, the parties may promptly recover any equipment respectively owned by them and shall have no further obligation to otherwise pay further compensation or provide services as set forth in this Agreement, except that Broker will reimburse Licensee for any expenses accrued to the date of termination for which it was otherwise obligated. The party terminating this Agreement pursuant to this Section or its subparts shall provide the other party with written notice of such termination, and the reason therefore, and the notice must be given at least thirty (30) days before the effective date of the termination, unless an earlier termination date is required to comply with FCC or statutory requirements.

17. Termination Upon Default. In the event of any Event of Default, the party not in default shall be under no further obligation to perform hereunder, and may, upon written notice to the other party, terminate this Agreement. In the Event of Default by Broker, (i) Licensee shall cease to make available to Broker any further broadcast time or broadcast program distribution facilities, and (ii) Broker's obligation to purchase time on each Station shall be terminated, and in such event, Broker shall transfer and assign to Licensee all contracts, leases

and agreements, to the extent assignable, and which Licensee requests be assigned to it, and which were entered into in connection with the Programming for the Station by Broker, in an effort to afford to Licensee the same benefits enjoyed there under by Broker. In the event of any Event of Default by Licensee, Broker may pursue its remedies at law and equity to recover damages and/or require Licensee to specifically perform this Agreement, and said remedies shall be cumulative. The following shall constitute an Event of Default under this Agreement:

(a) Non-Payment. Broker's failure to timely pay the consideration provided for herein. For the purposes of this Agreement, Broker shall be timely in its payments only so long as they are made within ten (10) business days from the date of written notice from Licensee to Broker that a payment has not been made when due and payable.

(b) Default in Covenants. The default by either party in the observance or performance of any material covenant, condition, or agreement contained herein, which shall not have been cured within thirty (30) days after receipt of written notice from the non-defaulting party that the default occurred; or

(c) Breach of Representation. Should any material representation or warranty herein made (i) by either party, or (ii) in any certificate or document furnished by one party to the other pursuant to the provisions hereof, prove to have been false or misleading in any material respect as of the time made or furnished.

18. Indemnification. Broker indemnifies and holds harmless Licensee, its successors and assigns, affiliates, partners, directors, officers, employees, and agents, from and against expenses (including reasonable attorneys fees and other expenses incidental thereto) of

every kind, nature and description, arising out of claims made or liability assessed against Licensee, resulting from acts or omissions of Broker in the operation of the Station pursuant to this Agreement and not due to intentional or negligent acts or omissions of Licensee.

19. Liabilities Upon Termination of this Agreement. Following termination of this Agreement for any reason, including Broker's acquisition of the Station, Broker shall be responsible for all liabilities, debts and obligations accrued from the purchase of air time and facilities including, without limitations, accounts payable, barter agreements, trade-out agreements, and unaired advertisements entered into by Broker or by Licensee if approved by Broker; but not Licensee's federal and local tax liabilities associated with Broker's payment to Licensee as provided for herein.

20. Services Unique. The parties hereto agree that the facilities and services to be provided under this Agreement are unique and cannot be readily purchased or acquired in the open market, and for that reason, either party would be irreparably damaged in the event of a material breach of this Agreement.

21. Due Authority; No Conflict. Licensee hereby warrants and represents to Broker, and Broker hereby represents and warrants to Licensee, that each is legally qualified under the laws of the State of its respective incorporation or formation, and that each is duly authorized by all necessary corporate or limited liability corporate action (as the case may be), to execute, deliver and perform its respective obligations under this Agreement, and that such execution, delivery and performance does not and will not violate, conflict with, constitute a default under, or upon the giving of notice or the lapse of time, or both, constitute grounds for termination of, or acceleration of obligations under, any charter, certificate, by-law, agreement,

contract, instrument, indenture, franchise, lease, license, permit, rule, regulation, statute, ordinance, judgment, order, or decree to which such warrantor is subject or by which it is bound.

22. Further Assurances. Each party agrees to execute and deliver additional documents and take such other actions that another party may reasonably request for purposes of carrying out the transactions contemplated by this Agreement.

23. No Partnership or Joint Venture. This Agreement is not intended to be and shall not be construed as a corporate or joint venture agreement between the parties. Except as otherwise specifically provided in this Agreement, no party to this Agreement shall be authorized to act as agent of or otherwise represent any other party to this Agreement.

24. Successors and Assigns. This Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective successors and assigns. This Agreement may not be assigned by either party, either voluntarily or by operation of law, without the prior written consent of the other, which consent shall not be unreasonably withheld. The covenants, conditions and provisions hereof are and shall be for the exclusive benefit of the parties hereto and their permitted assigns, and nothing herein, express or implied, is intended or shall be construed to confer upon or give any person or entity other than the parties hereto or their permitted assigns any rights, remedy or claim, legal or equitable, under or by reason of this Agreement.

25. Modification and Waiver. No modification or waiver of any provision of this Agreement shall be effective unless in writing and signed by the party against whom such modification or waiver is asserted, and no failure to exercise any right, power or privilege hereunder shall operate to restrict the exercise of the same right, power or privilege upon any

other occasion nor to restrict the exercise of any other right, power, or privilege upon the same or any other occasion. Notwithstanding the foregoing, Licensee and Broker shall use their best efforts to modify this Agreement from time to time, to comply with applicable rules and regulations of the FCC respecting agreements of this nature; provided, however, that neither party shall be obligated to make changes which have a material adverse affect on its ability to conduct its business as previously undertaken. Except as otherwise provided in this Agreement, the rights and remedies provided in this Agreement are cumulative and are not exclusive of any other rights or remedies which a party may otherwise have. The rights of each party hereunder shall survive the termination of this Agreement as to the covenants and obligations to indemnify or reimburse as provided herein.

26. Attorney's Fees. In any act or proceeding brought to enforce any rights or obligations hereunder, the prevailing party shall be entitled to receive reimbursement for its reasonable attorney's fees and related costs.

27. Governing Law. This Agreement shall be governed by, construed and interpreted in accordance with, and enforceable under, the laws of the Commonwealth of Pennsylvania applicable to contracts made in such Commonwealth and that are to be wholly performed in such Commonwealth, without reference to the choice-of-law principles of such Commonwealth, except to the extent preempted by applicable federal law.
