Dear Applicant:

The staff has under consideration the above-captioned modification application for broadcast station WKVM(AM) as amended on June, 23, 2009. On September 22, 2009, the staff sent a letter requesting an amendment to provide the towers registration of the proposed antenna and the Environmental assessment.

On October 15, 2009, you filed a request for an additional time to amend the application. Accordingly, WKVM is granted 60 days extension in which to file an amendment bringing the application into substantial compliance with the Commission's rules. Failure to respond or file a curative amendment by **December 15, 2010**, will result in dismissal of the application.

Sincerely,

Son Nguyen
