

**OTHER MEDIA INTERESTS OF TELEFUTURA**

Overview

Telefutura is one of the two members of the proposed transferee herein, St. Louis/Denver LLC. As detailed in Exhibit 15 above, Telefutura is wholly owned by Univision Communications Inc. (“UCI”). UCI is the licensee of several television broadcast stations and, through its principal subsidiaries, Telefutura and Univision Television Group, Inc. (“UTGI”), UCI is also the ultimate parent of the licensees of some 35 additional television broadcast stations. UCI is also a shareholder of Entravision Communications Corporation (“Entravision”) which directly or indirectly holds numerous television and radio broadcast station licenses.<sup>1</sup> UCI’s ownership structure and direct broadcast interests are described in Section I below. UCI’s interests held through UTGI are described in Section II below. UCI’s interests held through Telefutura are described in Section III below. UCI’s ownership interests held through Entravision are described in Section IV below.

I. Univision Communications Inc.

UCI is a publicly-traded company, and no single person or entity holds 33% or more of the debt/equity of the company. A. Jerrold Perenchio is the single majority shareholder, with a 66.32% voting interest in UCI, by virtue of the fact that his Class P common stock is entitled to 10 votes per share so long as he continues to own at least 30% of the shares he held on October 2, 1996.

Grupo Televisa, S.A. and Venevision Investments LLC are shareholders of UCI which are each represented by a director on the Board of Directors and which are controlled by non-U.S. citizens. In addition, each entity holds non-voting stock and certain warrants which would allow it to increase its holdings to the extent that it is lawful for such a foreign entity to do so. In the past, the Commission has routinely approved interests such as these held by foreign entities. See Univision Holdings, Inc., 7 FCC Rcd 6672, 6673-74 (1992); FCC File Nos. BTCCT-9606281ID through BTCCT-960628IN and BTCCT-960628IP through BTCCT-960682IV.

Certain officers and directors of UCI also hold positions as the officers and directors of the broadcast subsidiaries discussed herein.

<sup>1</sup> As noted below, applications are pending before the FCC in connection with the transfer of control of Hispanic Broadcasting Corporation (“HBC”) to UCI. Upon consummation of the transactions proposed therein, UCI will not hold an attributable interest in Entravision. To the extent the instant transaction is consummated prior to the transactions contemplated by the applications concerning the HBC merger, information regarding Entravision is provided herein.
