

**Engineering Statement in Support of
Change to the Community of License****Introduction**

Educational Media Foundation requests a community of license change for KLZV from Sterling, Colorado to Brush, Colorado.

This statement is included to show that the proposed community of license change to the current licensed station of KLZV Sterling, CO, will not leave any area underserved according to the guidelines of 307(b).

Discussion

In the instructions for the new Form 340, the FCC describes several points that are required for a showing that the proposed community of license change would result in a preferential arrangement of allotments under section 307(b). Those requirements have been divided into the two sections below:

1. Minimum Requirements

The commission has requested that any 307(b) showing contain the following minimum information:

- The number of stations licensed to the current community of license is six (6). The number of stations licensed to the proposed community of license is four (4).
- The number of stations providing service to the current community of license is eight (8). The number of stations providing service to the proposed community of license is seven (7).
- The population of the proposed community of license is 5,186.
- The city of Brush was incorporated October 18, 1884. Brush has a chamber of commerce serving many local businesses. There are many religious institutions (exhibit 23-A). Brush also has many community events and local civic services such as a fire department, post office (exhibit 23-B), police station and a city council. See exhibit 23-C for a PDF of the “all about Brush” page from their official city website which lists their history and a brief overview of what Brush has to offer. For further information, please visit the official Brush City website at <http://www.brushcolo.com/>.

2. Other Relevant Information**No change in service**

The current KLZV facility does not serve the community of Sterling, Colorado with an FCC F(50/50) 60dbu signal strength contour. Exhibit 23-D shows the relation between the current community of license and the requested community of license city of Brush, CO. As can be seen, the currently authorized facility will provide adequate coverage to Brush. This will bring the station into compliance

with 73.315.

The proposed community of license change request does not include a transmitter move and KLZV will function as specified in its current license (BLED-20050104AAL).

Conclusion

Since the transmitter properties will not change, the entire area within the contour of KLZV will remain the same thus no underserved area will be created or currently served area affected.

Respectfully submitted,

Cris Baron

All About Brush!

Convenient Location

The City of Brush! Colorado is conveniently located on Interstate 76, 9 miles from the Morgan County Seat and 90 miles from Denver. Brush! also has its own 5,500 foot airport runway {(970) 842-5000} and is only 60 minutes away from Denver International Airport.

Our Greatest Resource: Pristine Water

Brush! has its own water wells, drawing from the Beaver Creek aquifer. We are one of the few cities in the state which has water so pure that chlorination is not required before it is put into the distribution system for consumption. The only thing added is fluoride to help prevent tooth decay. Additionally, the water is naturally softened by area sandhills.

Accommodations

Econo Lodge, (44 Units) I-76 Exit 90B, 1208 N. Colorado, (970) 842-5146
 Outdoor Pool, Continental Breakfast

Kozy Kort Motel (10) Units - 717 Edison (970) 842-2736

Microtel Inn (40 Units) I-76 Exit 90A, 975 N. Colorado Ave (970) 842-4241
 Indoor Pool & Spa, Fitness Room, Continental Breakfast,

Dining In Brush

Drover's, 28601 E US 34 - breakfast, lunch, dinner and homemade pies and cinnamon rolls

Wendy's, 1151 N. Colorado

Education

Brush! is home to 2 elementary schools (Thomson, grades Preschool - 2 and Beaver Valley, grades 3-

5), 1 middle school (Brush Middle School) and 1 High School (Brush High School). Brush! also has its own library, East Morgan County Library, and Morgan Community College is located just 8 miles west in Fort Morgan.

Places of Worship

There are numerous places of worship within Brush! city limits, and twice as many within the county.

Historic Eben Ezer Chapel

Year Round Activities

The City of Brush! has an excellent [Recreation Department](#). Brush! also has a 9-hole golf course, a bowling alley, an outdoor swimming pool, 4 parks, and basketball and tennis courts. There are also many historical attractions and places of interest.

Brush! History

Exhibit 23 - C

The City Brush! was named in honor of Jared L. Brush, a Colorado cattle pioneer. Long before the town was founded, the site was a shipping point on the old Texas-Montana cattle trail, known as the Beaver Creek Station. Mr. Brush never actually lived in Brush!, but helped settle what is now known as Greeley, Colorado. He later served as Lieutenant Governor of Colorado, lived in Greeley and visited "his town" often. He helped organize the first rodeo in Brush! on July 4, 1884, bringing a trainload of visitors from Denver to view the phenomenon.

Brush! is nestled in the agriculturally-rich South Platte River valley. In 1886 a number of Danish families formed a settlement, attracted to the rich and loamy soil. Today bountiful crops of corn, soy, sugar beets, and wheat still prevail.

The Brush! townsite was laid out in June, 1882 after the Burlington Rail line reached this point on its way from Chicago to Denver. The City was incorporated by election on October 18, 1884. Today the City limits are home for just over 5,357 people.
