**ENGINEERING STATEMENT  
IN SUPPORT OF APPLICATION FOR LPTV CONSTRUCTION PERMIT**

**Application to channel 45, Anchorage, AK  
K22FV, FCC ID 25222  
License File Number BLTT-19980708JA  
Ketchikan TV, LLC**

**1. Displacement relief.** This application seeks displacement relief arising from cochannel Digital TV construction permit for KYES-DT, 66 km distant. It proposes a change of channel from 22 to 45 and change of antenna pattern.

**2. Interference.** The within application shows "interfering to protected" contour overlap with respect to the following licensed facilities:

K44EQ, BLTTL19960304JL, channel 44, Anchorage, AK

K46EN, BLTTL19960304JL, channel 44, Anchorage, AK

...both of which are licensed to ACS Communications, LLC. ACS Communications has agreed to accept incoming interference from the within filing to these file numbers. A letter from them to that effect will be attached to this application as soon as received.

**3. Availability of records.** Documentation in support of all claims made in this application is retained on file in this office and is available upon request.
