**Engineer's Certification of Proper Directional Antenna Installation
KYRS (FM), Medical Lake, WA
CP: BMPED-20100913AAI - Facility ID: 173886**

I, Michael D. Brown, hereby certify that the Shively 6810-4R-SS(0.92)-DA directional antenna for KYRS (FM) has been installed in full accordance with construction permit BMPED-20100913AAI, and in full accordance with all installation instructions provided by the antenna manufacturer. The directional antenna is oriented per the manufacturer's instructions, which was verified on-site by a licensed surveying crew.

I supervised the installation on-site. Supervising such projects is well within the scope of my understanding, experience, and expertise. I am a qualified radio broadcast engineer of over 35 years experience. I am FCC licensed (FCC General/First Class), I am certified as a Senior Radio Broadcast Engineer by the Society of Broadcast Engineers, and am an Associate Member of the Association of Federal Communications Consulting Engineers.
