

### **Directional Antenna Installation Certification**

**In compliance with FCC Regulation 73.316(c)(2)(vii), this is to certify that the ERI model MP-12C-DA-HW directional antenna for Radio Station WPAY operating at 104.1 Mhz and licensed to New Boston, OH, has been erected according to design and installation instructions provided by Electronics Research, Incorporated (ERI) of Chandler, Indiana.**

This document is separate from the licensed surveyor's certification of the antenna's orientation.

The installation was supervised by Mr. Steve Rhinerson, of ERI. I have been employed by ERI Since 2001, and served in the capacity of Installations Manager for the past Ten (10) years. I have performed and supervised numerous installations.
