Hi Mohammad: Please correct the ERP in this application to 0.20 kW the TPO remains @0.02 kW.

I also noted that I added an extra 1 on the value @ 290 degrees, it should be 0.01.

Please let us know if you have any more questions.

Ron Graser is handling the application BPDVL-20080602BPI and has the information regarding the approval by Mexico.
