

SECOND SUPPLEMENT TO PARTIES TO THE APPLICATION

SagamoreHill Broadcasting of Alabama, LLC (“Assignee”), the proposed assignee of WBMM(TV), Tuskegee, Alabama, FCC File No. BALCT-20051206AFX, further supplements Exhibit 11 to the application by providing the following information:

1. The officers, directors and owners of DAG, LLC are listed on a chart at page 6 of Exhibit 11 as filed with the application. Due to a typo, the original chart was mislabeled as “DAG II, LLC.”
2. Exhibit 11 identified all members of DAG II Partners Fund, LLC. Subsequent to the filing, the applicant determined to insulate that limited liability company pursuant to the criteria set forth in the Commission’s Rules. Therefore, as stated in the March 20, 2006 “Supplement to Parties to the Application” (“Supplement”), none of the members of DAG II Partners Fund, LLC (other than the company’s manager, DAG II, LLC) will have an attributable interest in WBMM.
3. All parties to the application identified in the Supplement are U.S. citizens. The percentage of ownership held by each such party as stated in the Supplement includes voting and equity interests.
