

Multiple Ownership

This multiple ownership showing is filed in connection with an application for modification of construction permit BPH-20070118AEN for station KSAJ-FM, facility ID 18055, on Channel 253C1 at Burlingame, Kansas.

Alpha Media Licensee LLC (“Alpha”) is licensee of WIBW(AM), WIBW-FM and KTPK(FM), all Topeka, Kansas (1 AM/2 FM). These stations are geographically located in and “home” to the Topeka Nielsen Metro. Since Burlingame, Kansas is in Osage County, KSAJ-FM will be geographically located in the Topeka Nielsen Metro. No party to this application has an attributable interest in any other radio station that is located in the same market or in an overlapping station located in a non-Metro area.

As demonstrated in the attached BIA printout, the Topeka Metro contains 15 full power radio stations, allowing for common ownership of six stations, no more than four of which may be in the same service, under Section 73.3555(a) of the Commission’s rules. Therefore, common ownership by Alpha of one AM station and three FM stations in the Topeka market is permissible.

KSAJ-FM is currently licensed to Abilene, Kansas and is “home” to the Salina-Manhattan, Kansas Nielsen Metro (in which Abilene is geographically located). Alpha is licensee of KSAJ-FM, Abilene, Kansas; KBLS(FM), North Fort Riley, Kansas; KSAL-FM, Salina, Kansas; KYEZ(FM), Salina, Kansas; KSAL(AM), Salina, Kansas and KABI(AM), Abilene, Kansas (4 FM/2 AM). These stations are geographically located in and “home” to the Salina-Manhattan Nielsen Metro. No party to this application has an attributable interest in any other radio station that is located in the same market or in an overlapping station located in a non-Metro area.

As demonstrated in the attached BIA printout, the Salina-Manhattan Metro contains 30 full power radio stations, allowing common ownership of seven stations, no more than four of which may be in the same service, under Section 73.3555(a) of the Commission’s rules. Therefore, common ownership by Alpha of four FM stations and two AM stations in the Salina-Manhattan market is permissible.

Accordingly, Alpha’s combinations of radio stations both in the Topeka Metro (where KSAJ-FM is proposed to operate under its outstanding construction permit for Burlingame) and the Salina-Manhattan Metro (where KSAJ-FM is currently designated “home”) comply with the Commission’s local radio ownership rule.
