EXHIBIT 4
FCC Form 314
Section II, Paragraph 3

This application seeks FCC consent to the assignment of licenses of KDLH, Duluth, Minnesota, from Assignor Benedek License Corporation ("BLC") to Chelsey Broadcasting of Duluth, LLC ("Assignee" or "Chelsey"), a Delaware limited liability company. Assignor BLC is placing in the station's public inspection file, and the parties are submitting with this application, a copy of the Asset Purchase Agreement ("APA"), dated as of June 4, 2002, among Assignor BLC, Benedek Broadcasting Corporation (Assignor's immediate corporate parent) and Chelsey Broadcasting Company, LLC (the sole member of the Assignee).[1]

Pursuant to the APA, separate subsidiaries of Chelsey Broadcasting Company, LLC (Assignee's parent) are acquiring 10 other television stations (including three satellites) licensed to BLC. Seven companion FCC Form 314 applications are being filed contemporaneously with the instant application. (It is respectfully requested that the eight applications be processed together.) As noted in Exhibit 5, BLC also is the licensee of 15 other full-power television stations. On June 10, 2002,

---

[1] The schedules and exhibits to the APA (with the exception noted below) are not included but may be provided to the FCC on request. The APA being filed herewith includes a summary (Ex. F) of the terms of a services agreement (to be prepared prior to and executed at the closing of the transaction) pursuant to which Assignor's parent company will provide certain administrative services to the Assignee after the closing. The agreement will not give Assignor either an attributable interest or a reversionary interest in the station(s) subject to this application following the closing.

a FCC Form 315 application was filed for consent to the transfer of control of these 15 stations to Gray Communications Systems, Inc. ("Gray"). (See BTCCT-20020610AAV et al.) The FCC Form 315 transaction will be consummated following the FCC's grant and the parties' consummation of the assignment of licenses of the 11 stations not being acquired by Gray to subsidiaries of Chelsey Broadcasting Company, LLC.
