

ESTABLISHED COMMUNITY PRESENCE

Existence of Applicant

The applicant, a non-profit benevolent, religious and educational organization, is a non-profit corporation which was incorporated by the South Carolina Secretary of State on June 11, 1982 and has been in continuous existence in Greenville, South Carolina since that time.

Our physical facility is located at 762 Mauldin Road, Greenville, SC, at NAD27 coordinates 34° 47' 13" north latitude and 82° 21' 8" west longitude. The proposed transmitter and antenna location for our proposed low power FM station would be at NAD27 coordinates 34° 54' 30.5" north latitude and 82° 20' 39.2" west longitude which is 8.389 mile away from our headquarters.

As we understand Section 73.853 of the FCC's Rules and Regulations, since the applicant's headquarters have been located within 20 miles of the proposed antenna location for more than the past two years, the applicant qualifies as an "established local applicant" for purposes of the so-called point system. Additionally, all of the members of our governing board have resided within 20 miles of the proposed antenna location for more than the past two years.

Localism

As noted above, our organization has been in existence since June 11, 1982 with a non-profit corporation charter granted by the South Carolina Secretary of State; at all

times it has been in existence within 20 miles of the proposed transmitter and antenna site. Furthermore, all of our directors have resided within 20 miles of the proposed transmitter and antenna site for at least the last 24 months.

Therefore, this application qualifies as an “established local applicant” pursuant to Section 73.853(b) of the FCC’s Rules.

It is hereby stated under penalty of perjury that the foregoing statements are true and correct.

DATED this ____ day of November, 2013.

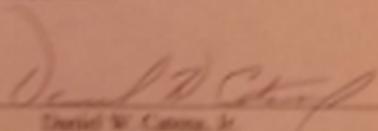

Daniel W. Catena, Jr.
President

As stated above, our organization has been in existence since June 11, 1962 with a non-profit corporation charter granted by the South Carolina Secretary of State; at all times it has been in existence within 20 miles of the proposed transmitter and antenna site. Furthermore, all of our directors have resided within 20 miles of the proposed transmitter and antenna site for at least the last 24 months.

Therefore, this application qualifies as an "established local applicant" pursuant to Section 73.853(b) of the FCC's Rules.

It is hereby stated under penalty of perjury that the foregoing statements are true and correct.

DATED this 15th day of November, 2013.
