(a) Following the Closing, Seller shall indemnify, defend and hold harmless Buyer with respect to any and all demands, claims, actions, suits, proceedings, assessments, judgments, costs, losses, damages, liabilities and expenses (including, without limitation, interest, penalties, court costs and reasonable attorneys' fees) ("Damages") asserted against, resulting from, imposed upon or incurred by Buyer directly or indirectly relating to or arising out of: (i) the breach by Seller of any of its representations or warranties that survive the Closing, or failure by Seller to perform any of its covenants, conditions or agreements set forth in this Agreement that survive the Closing; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the ownership and operation of the Station prior to the Closing, including the Retained Liabilities and with respect to the Excluded Assets; provided however, that with respect to Section 10(a)(i), Seller shall have no liability hereunder until and only to the extent that an Indemnitee's Damages exceed One Hundred Thousand Dollars (\$100,000), and the maximum liability of Seller under this Section 10 shall be One Million Dollars (\$1,000,000).

(b) Following the Closing, Buyer shall indemnify, defend and hold Seller harmless with respect to any and all Damages asserted against, resulting from, imposed upon or incurred by Seller directly or indirectly relating to or arising out of: (i) the breach by Buyer of

any of its representations, warranties, that survive Closing or failure by Buyer to perform any of its covenants, conditions or agreements set forth in this Agreement that survive Closing; and (ii) any and all claims, liabilities and obligations of any nature, absolute or contingent, relating to the ownership and operation of the Station, as conducted by Buyer, subsequent to the Closing, or Buyer's failure to pay, satisfy and discharge the Assumed Obligations; provided however, that with respect to Section 10(b)(i), Buyer shall have no liability hereunder until and only to the extent that an Indemnitee's Damages exceed One Hundred Thousand Dollars (\$100,000), and the maximum liability of Buyer under this Section 10 shall be One Million Dollars (\$1,000,000).

(c) If either party hereto (the "Indemnitee") receives notice or otherwise obtains knowledge of any matter with respect to which another party hereto (the "Indemnifying Party") may be obligated to indemnify the Indemnitee under this Section 10(c), then the Indemnitee shall promptly deliver to the Indemnifying Party written notice describing such matter in reasonable detail and specifying the estimated amount of the Damages or liability that may be incurred by the Indemnitee in connection therewith. The Indemnifying Party shall have the right, at its option, to assume the complete defense of such matter at its own expense and with its own counsel, provided such counsel is reasonably satisfactory to the Indemnitee. If the Indemnifying Party elects to assume the defense of such matter, then (i) notwithstanding anything to the contrary herein contained, the Indemnifying Party shall not be required to pay or otherwise indemnify the Indemnitee against any such matter following the Indemnifying Party's election to assume the defense of such matter, (ii) the Indemnitee shall fully cooperate as reasonably requested by the Indemnifying Party in the defense or settlement of such matter, (iii) the Indemnifying Party shall keep the Indemnitee informed of all material developments and events relating to such matter, and (iv) the Indemnitee shall have the right to participate, at its own expense, in the defense of such matter. In no event shall the Indemnifying Party be liable for any settlement or admission of liability with respect to such matter without its prior written consent.

(d) Except for Section 5(c) as it relates to title, which shall survive through the applicable statute of limitations, the several representations and warranties of Seller and Buyer contained in or made pursuant to this Agreement shall expire on the date that is twelve (12) months after the Closing Date. Except with regard to title to the Assets or as otherwise expressly provided in this Agreement, the covenants, conditions and agreements of the parties shall terminate upon, and shall not survive, the Closing.

11. Termination.

(c) This Agreement may be terminated by either Buyer or Seller, if the party seeking to terminate is not in default or breach of any of its material obligations under this Agreement, upon written notice to the other upon the occurrence of any of the following: (a) if, on or prior to the Closing Date, the other party breaches any of its material obligations contained herein, and such breach is not cured by the earlier of the Closing Date or thirty (30) days after receipt of the notice of breach from the non-breaching party, provided however that such opportunity to cure shall not apply to the failure of a party to perform its obligations set forth in Section 4 or Section 9, hereof; or (b) if the Assignment Application is designated for hearing by the FCC; or (c) if there shall be in effect any judgment, final decree or order that would prevent or make unlawful the Closing of this Agreement; or (d) if the Closing has not occurred within twelve (12) months after the date hereof.

Upon a termination of this Agreement by Seller due to a breach by Buyer of any of its material obligations under this Agreement, Seller's sole remedy shall be payment by Buyer to Seller, as liquidated damages and not as a penalty, of an amount equal to the Earnest Money Deposit ("Liquidated Damages").

THE DELIVERY OF THE LIQUIDATED DAMAGES AMOUNT TO SELLER SHALL BE CONSIDERED LIQUIDATED DAMAGES AND NOT A PENALTY, AND SHALL BE THE RECIPIENT'S SOLE REMEDY AT LAW OR IN EQUITY FOR A BREACH HEREUNDER IF CLOSING DOES NOT OCCUR. BUYER AND SELLER EACH ACKNOWLEDGE AND AGREE THAT THIS LIQUIDATED DAMAGE AMOUNT IS REASONABLE IN LIGHT OF THE ANTICIPATED HARM WHICH WILL BE CAUSED BY A BREACH OF THIS AGREEMENT, THE DIFFICULTY OF PROOF OF LOSS, THE INCONVENIENCE AND NON-FEASIBILITY OF OTHERWISE OBTAINING AN ADEQUATE REMEDY, AND THE VALUE OF THE TRANSACTION TO BE CONSUMMATED HEREUNDER.

If Seller is entitled to the Liquidated Damages, Buyer shall take all actions as are necessary in order to cause the Escrow Agent to promptly deliver the Earnest Money Deposit to Seller and shall refrain from any action which would cause any delay in the making of such payment to Seller.

(d) Upon a termination of this Agreement due to a breach by Seller of any of its material obligations under this Agreement, Buyer shall be entitled to the release of the Earnest Money Deposit, and Buyer may seek all rights and remedies that it may have in equity or at law.

(e) Upon a termination of this Agreement for any reason other than as a result of a breach by either party of any of its material obligations under this Agreement, Buyer shall be entitled to the release of the Earnest Money Deposit, and thereafter neither party will have any further liability or obligation to the other with respect to this Agreement, except with respect to the confidentiality provisions herein.

12. Specific Performance. Seller acknowledges that the Station is a unique asset not readily obtainable on the open market and that, in the event that Seller fails to perform its obligation to consummate the transaction contemplated hereby, money damages alone will not be adequate to compensate Buyer for its injury. Therefore, Seller agrees and acknowledges that in the event of Seller's failure to perform its obligation to consummate the transaction contemplated hereby, Buyer shall be entitled, (in lieu of any other rights and remedies on account of such failure if such relief is granted), to specific performance of the terms of this Agreement and of Seller's obligation to consummate the transaction contemplated hereby. If any action is brought by Buyer to enforce this Agreement, Seller shall waive the defense that there is an adequate remedy at law, and Buyer shall be entitled to receive from Seller all court costs, attorney's fees and other out-of-pocket expenses incurred by Buyer in enforcing its rights under this provision.

13. Confidentiality.

(a) Each party shall hold, and shall cause its officers, employees, agents and representatives, including, without limitation, attorneys, accountants, consultants and financial

advisors who obtain such information to hold, in confidence, and not use for any purpose other than evaluating the transactions contemplated by this Agreement, any confidential information of another party obtained through the investigations permitted hereunder, which for the purposes hereof shall not include any information which (i) is or becomes generally available to the public other than as a result of disclosure by the party which alleges the information is confidential or its affiliates, (ii) becomes available to a party on a nonconfidential basis from a source, other than the party which alleges the information is confidential or its affiliates, which has represented that such source is entitled to disclose it, or (iii) was known to a party on a nonconfidential basis prior to its disclosure to such party hereunder. If this Agreement is terminated, each party shall deliver, and cause its officers, employees, agents, and representatives, including, without limitation, attorneys, accountants, consultants and financial advisors who obtain confidential information of another party pursuant to investigations permitted hereunder to deliver to such other party all such confidential information that is written (including copies or extracts thereof), whether such confidential information was obtained before or after the execution.

(b) If a party or a person to whom a party transmits confidential information of another party is requested or becomes legally compelled (by oral questions, interrogatories, requests for information or documents, subpoena, criminal or civil investigative demand or similar process) to disclose any of such confidential information, such party or person will provide the other applicable party with prompt written notice so that such party may seek a protective order or other appropriate remedy or waive compliance with Section 13(a). If such protective order or other remedy is not obtained, or if the applicable party waives compliance with Section 13(a), the party subject to the request will furnish only that portion of such confidential information which is legally required and will exercise its best efforts to obtain reliable assurance that confidential treatment will be accorded such confidential information.

(c) In the event that either party determines in good faith that a press release or other public announcement is desirable under any circumstances, the parties shall consult with each other to determine the appropriate timing, form and content of such release or announcement.

14. Notices. All notices, elections and other communications permitted or required under this Agreement shall be in writing and shall be deemed effectively given or delivered upon personal delivery (or refusal thereof), or twenty-four (24) hours after delivery to a courier service which guarantees overnight delivery, or five (5) days after deposit with the U.S. Post Office, by registered or certified mail, postage prepaid, and, in the case of courier or mail delivery, addressed as follows (or at such other address for a party as shall be specified by like notice):

15. Governing Law. This Agreement shall be construed and enforced in accordance with the laws of the State of California, without giving effect to the choice of law principles thereof.

16. Partial Invalidity. Wherever possible, each provision hereof shall be interpreted in such manner as to be effective and valid under applicable law, but in case any provision contained herein shall, for any reason, be held to be invalid or unenforceable, such provision shall be ineffective to the extent of such invalidity or unenforceability without invalidating the remainder of such provision or any other provisions hereof, unless such a construction would be unreasonable.

17. Counterparts. This Agreement may be executed in several counterparts, each of which will be deemed to be an original but all of which together will constitute one and the same instrument. This Agreement may be executed and exchanged by facsimile or other electronic transmission, with the same legal effect as if the signatures had appeared in original handwriting on the same physical document. At the request of any party hereto or to any such agreement or instrument, each other party hereto or thereto shall re-execute original forms thereof and deliver them to all other parties. No party hereto or to any such agreement or instrument shall raise the use of a facsimile machine or other electronic transmission to deliver a signature or the fact that any signature or agreement or instrument was transmitted or communicated through the use of a facsimile machine or other electronic transmission as a defense to the formation of a contract and each such party forever waives any such defense.

18. **Expenses.** Except as otherwise set forth in this Section, each party hereto shall be solely responsible for all costs and expenses incurred by it in connection with the negotiation, preparation and performance of and compliance with the terms of this Agreement. The FCC filing fees relating to the Assignment Application shall be shared equally between Buyer, on the one hand, and Seller, on the other hand. All federal, state, local and other transfer and sales taxes applicable to, imposed upon or arising out of the transfer to Buyer of the Assets as contemplated hereby shall be paid by the party responsible for such amounts under applicable law.

19. **Risk of Loss.** The risk of loss to any of the Assets on or prior to the Closing Date shall be upon Seller. Seller shall use all commercially reasonable efforts to repair or replace any damaged or lost Assets, provided, however, that in the event that Assets with a value of greater than Fifteen Thousand Dollars (\$15,000) are damaged or lost on the date otherwise scheduled for Closing, Buyer may, at its option, either (i) postpone Closing for a period of up to sixty (60) days while Seller repairs or replaces such Assets, provided such Assets can reasonably be repaired or replaced within such 60-day period, or (ii) elect to close with the Assets in their current condition, in which case Seller shall assign all proceeds from insurance on such lost or damaged Assets to Buyer, and Buyer shall have the responsibility to repair or replace the Assets. Seller shall have no responsibility to repair or replace damaged or destroyed Assets not covered by insurance if the cost of such repair exceeds Fifteen Thousand Dollars (\$15,000), provided, however, that should Seller advise Buyer within five (5) days after being requested to do so that Seller will not repair or replace such Assets, Buyer may terminate this Agreement without penalty upon written notice to Seller.

20. **Assignment.** This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns. No party may voluntarily or involuntarily assign its interest or delegate its duties under this Agreement without the prior written consent of the other party, which consent shall not be unreasonably withheld or delayed.

21. **Entire Agreement; Seller's Knowledge.** This Agreement, and the exhibits attached hereto, supersede all prior agreements and understandings between the parties with respect to the subject matter hereof and may not be changed or terminated orally, and no attempted change, amendment, or waiver of any of the provisions hereof shall be binding unless in writing and signed by both parties. Where a statement herein is made to "Seller's knowledge," or is qualified by words of similar import, such term shall mean the actual knowledge of either Robert Hughes or Jonathan Schwartz.

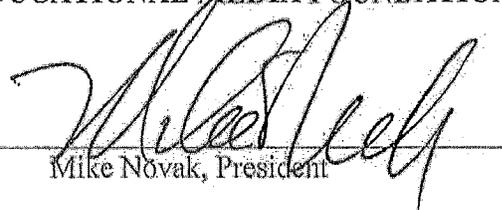

22. **Schedules and Exhibits.** Unless otherwise specified herein, each Schedule and Exhibit referred to in this Agreement is attached hereto, and each such Schedule and Exhibit is hereby incorporated by reference and made a part hereof as if fully set forth herein.
