

## **EXHIBIT 5a**

In addition to the ownership interests identified in Exhibit 5, the Assignor also has attributable interests through Time Brokerage Agreements with stations KQUR(FM), Laredo, Texas and KZIP(AM), Amarillo, Texas. Tejas (the assignee) is acquiring the TBA with station KZIP(AM). The multiple ownership exhibit initially submitted with this application (Exhibit 15) and the revised multiple ownership exhibit (Exhibit 15a) both included station KZIP(AM) in affirmatively responding that the assignee complies with the Commission's multiple and cross-ownership rules.
