Re: DKMIG-LP, Ventura, California
Facility Id No. 12732

Dear Licensee:

By letter dated January 24, 2011, the staff cancelled the license of station KMIG-LP, Ventura, California and deleted the call sign because Commission records indicated that the station had been silent since March 2009. KVMD Licensee Co., L.L.C. filed a timely petition for reconsideration and submitted a copy of a letter it filed on January 26, 2010, indicating that the station had resumed operations on January 25, 2010. In view of the foregoing, the petition for reconsideration IS GRANTED and the license for the station IS REINSTATED.

Sincerely,

Hossein Hashemzadeh
Deputy Chief, Video Division
