### **PARTIES TO APPLICATION**

This application seeks FCC approval for the transfer of control of NBC Telemundo License Co., which will result from the creation by Comcast Corporation (“Comcast”) and General Electric Company (“GE”) of a new content-focused joint venture. As set forth in the Master Agreement by and among Comcast, GE, NBC Universal, Inc. (“NBCU”), and Navy, LLC (“Newco”) dated December 3, 2009 (the “Master Agreement”), creation of the joint venture will occur in several steps. At the time of the closing, and immediately prior to the contribution of businesses and assets to Newco by Comcast and GE, both Comcast and GE will effect an internal restructuring of certain of the businesses and entities to be contributed to Newco. Certain of the steps in both of these internal restructurings will result in *pro forma* changes in control of FCC licensees. The *pro forma* changes in control relating to the Comcast restructuring do not involve the broadcast licensees and are not included herein. The *pro forma* changes in control relating to the NBCU restructuring involving the broadcast licensees are described in Part I below.

Following the internal restructurings, GE, through its wholly owned subsidiary, National Broadcasting Company Holding, Inc. (“NBC Holding”), will acquire the 20 percent of NBCU that it does not currently own in a transaction that does not require Commission approval.<sup>1</sup> Then, NBCU or Newco will borrow \$9.1 billion from third-party lenders (the “NBCU Financing”) and distribute the proceeds from the NBCU Financing to GE (the “NBCU Dividend”).<sup>2</sup> The contribution to Newco of NBCU as well as certain other assets used primarily in NBCU’s business will occur through a series of *pro forma* transfers of control as follows:

NBC Holding has created a new wholly owned subsidiary, Navy Holdings, Inc. (“Navy Holdings”), which in turn has created a new wholly owned subsidiary, Newco. NBC Holding will contribute its 100 percent interest in NBCU to Navy Holdings, and NBCU will convert from a corporation to an LLC. Then Navy Holdings will contribute its 100 percent interest in NBCU to Newco. Each of these steps is a *pro forma* change in control of the licensees indirectly owned by NBCU because GE will be the 100 percent indirect owner of the licensees both before and after each step.

---

<sup>1</sup> The current owner of that 20 percent interest is Vivendi SA.

<sup>2</sup> Beginning shortly after closing, Newco is expected to maintain maximum leverage of 2.75x EBITDA (Earnings Before Interest, Taxes, Depreciation, and Amortization) and hold an investment grade credit rating. If any borrowings by Newco to fund GE’s redemptions would result in Newco’s leverage ratio exceeding 2.75x EBITDA or the venture losing investment-grade status, Comcast will provide a backstop of up to \$2.875 billion for each redemption, subject to a maximum amount of \$5.75 billion.

Comcast then will contribute its content business comprising regional sports networks, other programming networks and certain Internet businesses, as well as certain other assets used primarily in those businesses, to Newco, along with a payment of cash to Navy Holdings, and as a result acquire 51 percent and control of Newco. The specific steps in this exchange will occur contemporaneously and are as follows:

One or more direct or indirect subsidiaries of Comcast (the “Comcast Transferors”) will contribute to Newco<sup>3</sup> the ownership interests in the Comcast contributed entities specified in Section B below, and in exchange the Comcast Transferors will receive, in the aggregate, 25.75 percent of the ownership of Newco. Navy Holdings will transfer to a designated direct or indirect subsidiary of Comcast a 25.25 percent ownership interest in Newco, and Comcast will pay to Navy Holdings cash in the amount of approximately \$6.5 billion (the amount will be \$7.1 billion minus 51 percent of the free cash flow of NBCU between signing and closing).<sup>4</sup>

Information regarding the officers, directors and equity holders of each entity in the ownership structure of the joint venture relating to the broadcast licensees is set forth in the tables on the following pages in this exhibit, which reflect the post-consummation ownership structure of the joint venture. Part II provides information regarding Newco and the entities holding direct and indirect attributable interests in Newco. Part III provides information regarding the various broadcast licensee entities and the entities holding direct and indirect attributable interests in such licensee entities up to Newco. Part IV contains a chart showing the ownership structure after consummation of the proposed transaction.

---

<sup>3</sup> The Comcast content businesses will be contributed to NBCU as a wholly owned subsidiary of Newco, and not to Newco directly. To distinguish between pre- and post-transaction NBCU, these contributions are described herein as being made to Newco to make clear that the contributions will be made to the new joint venture and not to NBCU under its present ownership.

<sup>4</sup> The amount of both the NBCU Dividend and the cash payment by Comcast to GE are subject to adjustment in certain circumstances.

**Part I – Internal Restructuring of NBCU**

**A. Restructuring for Broadcast Licensees**

**WKAQ Holdings, Inc.**

As shown in the attached diagram (Chart A)<sup>5</sup>, WKAQ Holdings, Inc. is an indirect subsidiary of GE. WKAQ Holdings, Inc. is the indirect parent of Telemundo of Puerto Rico, licensee of television station WKAQ-TV, San Juan, Puerto Rico.

Immediately prior to Comcast Corporation's acquisition of control of Newco, WKAQ Holdings, Inc. will be converted from a corporation to a limited liability company.<sup>6</sup> Chart B<sup>7</sup> attached hereto reflects the conversion of this entity to a limited liability company.

This conversion of WKAQ Holdings, Inc. to a limited liability company will be a *pro forma* change in control of Telemundo of Puerto Rico because GE will remain the ultimate parent company of the licensee.

**NBC Telemundo License Co.**

As shown in the attached diagram (Chart A), NBC Telemundo License Co. is an indirect subsidiary of GE. NBC Telemundo License Co. is the licensee of the television stations listed on Attachment A hereto. NBC Telemundo License Co. is also the indirect parent of: (1) Telemundo of Puerto Rico, licensee of television station WKAQ-TV, San Juan, Puerto Rico; (2) Telemundo Las Vegas License LLC, licensee of television station KBLR(TV), Paradise, Nevada; and (3) Station Venture Operations, LP, licensee of

<sup>5</sup> Chart A shows the current ownership structure for GE's four indirect television broadcast licensee subsidiaries.

<sup>6</sup> As described in this Appendix, a number of corporations will be converted to limited liability companies. It is noted that the names of these companies as set forth herein may change when the conversions are effectuated.

<sup>7</sup> Chart B contains a series of diagrams. Page 1 shows the proposed ownership for GE's four indirect television broadcast licensee subsidiaries immediately following the NBCU internal restructurings. Page 2 shows the proposed direct ownership in NBC Telemundo License Holding Co., LLC (an intermediate, indirect subsidiary of GE) immediately following the NBCU internal restructurings. Pages 3-22 show the proposed ownership structure (up to NBCU) for each of the twenty direct or indirect NBCU subsidiaries that will hold direct ownership interests in NBCU Telemundo License Holding Co., LLC immediately following the NBCU internal restructurings.

television stations KXAS-TV, Fort Worth, Texas and KNSD(TV), San Diego, California.<sup>8</sup>

Immediately prior to Comcast Corporation's acquisition of control of Newco, NBC Telemundo License Co. will be converted from a corporation to a limited liability company. Chart B reflects the conversion of this entity to a limited liability company.

This conversion of NBC Telemundo License Co. to a limited liability company will result in a *pro forma* assignment of the licenses held by NBC Telemundo License Co. because GE will be the ultimate parent company of the new licensee entity.<sup>9</sup> This conversion to a limited liability company will also be a *pro forma* change in control of Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP because GE will remain the ultimate parent company of these licensees.

### **NBC Telemundo Holding Co.**

As shown in the attached diagram (Chart A), NBC Telemundo Holding Co. is a direct subsidiary of GE. NBC Telemundo Holding Co. holds a controlling voting interest in NBC Telemundo, Inc., which is the direct or indirect parent of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP).

Immediately prior to Comcast Corporation's acquisition of control of Newco, the stock interests of NBC Telemundo Holding Co. in NBC Telemundo, Inc. will be redeemed and NBC Telemundo Holding Co. will no longer hold an interest in NBC Telemundo, Inc. Chart B attached hereto reflects this redemption of stock.

This redemption of NBC Telemundo Holding Co.'s stock interest in NBC Telemundo, Inc. will be a *pro forma* change in control of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP) because GE will remain the ultimate parent company of these licensees.

### **NBC Telemundo, Inc.**

As shown in the attached diagram (Chart A), NBC Telemundo, Inc. is an indirect subsidiary of GE. NBC Telemundo, Inc. is the direct or indirect parent of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co.,

---

<sup>8</sup> GE's four indirect television broadcast licensee subsidiaries also hold earth station and private radio authorizations.

<sup>9</sup> A separate application is being filed on FCC Form 316 seeking FCC consent to the *pro forma* assignment of the television broadcast station licenses held by NBC Telemundo License Co. to the new entity resulting from the conversion of this corporation to a limited liability company.

Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP).

Immediately prior to Comcast Corporation's acquisition of control of Newco, NBC Telemundo, Inc. will be converted from a corporation to a limited liability company. Chart B attached hereto reflects the conversion of this entity to a limited liability company. This conversion of NBC Telemundo, Inc. to a limited liability company will be a *pro forma* change in control of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP) because GE will remain the ultimate parent company of these licensees.

### **NBC Telemundo License Holding Co., Inc.**

NBC Telemundo License Holding Co., Inc. is an indirect subsidiary of GE. As shown in the attached diagram (Chart A), NBCU, through subsidiaries, holds a minority voting stock interest in NBC Telemundo, Inc. Because NBC Telemundo Holding Co. is the single majority stockholder of NBC Telemundo Inc., the interests held by subsidiaries of NBCU (including NBC Telemundo License Holding Co., Inc.) in NBC Telemundo, Inc. are not considered attributable (and accordingly are not shown on Chart A). NBCU's indirect ownership interest in NBC Telemundo, Inc. is attributable, however, under the Commission's equity-or-debt-plus rule because NBCU is a major program supplier to television stations licensed to or controlled by NBC Telemundo License Co.

Immediately prior to Comcast Corporation's acquisition of control of Newco, and following the redemption of NBC Telemundo Holding Co.'s stock interest in NBC Telemundo, Inc., NBC Telemundo License Holding Co., Inc. will become the direct parent of NBC Telemundo, Inc. NBC Telemundo License Holding Co., Inc. will also be converted from a corporation to a limited liability company. Chart B attached hereto reflects the insertion (for attribution purposes) of this entity into the ownership structure.

The insertion of NBC Telemundo License Holding Co., Inc. into the attributable ownership structure, and the conversion of NBC Telemundo License Holding Co., Inc. to a limited liability company, will be a *pro forma* change in control of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP) because GE will remain the ultimate parent company of these licensees.

### **Additional NBCU Subsidiaries**

As described above, a number of NBCU direct and indirect subsidiaries (which are all indirect subsidiaries of GE) are not now attributable interest holders (and accordingly are not shown on Chart A) in the ownership structure for GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP). Because there will no longer be a single majority stockholder of NBC Telemundo, Inc.

and because NBC Telemundo, Inc. is going to be converted to a limited liability company, the interests held by these direct and indirect subsidiaries of NBCU are going to become attributable. The entities listed immediately below are the direct and indirect subsidiaries of NBCU that hold direct interests in NBC Telemundo License Holding Co., Inc.:<sup>10</sup>

1. NBC Subsidiary (KNBC-TV), Inc.
2. NBC Subsidiary (WMAQ-TV), Inc.

1. Outlet Communications, Inc.
2. NBC-Rainbow Holding, Inc.
3. WCAU Holdings, LLC
4. NBC Cable Holding, Inc.
5. Telemundo Holdings, Inc.
6. Telemundo Communications Group, Inc.
7. NBC Subsidiary (WTVJ-TV), Inc.
8. KNTV Television, Inc.
9. NBC Stations Management II, Inc.

---

<sup>10</sup> The following entities also hold indirect interests in NBC Telemundo License Holding Co., Inc.: NBC Stations Management, Inc.; Telemundo Group, Inc.; and Telemundo of Chicago, Inc. It should also be noted that NBCU holds a small direct interest in NBC Telemundo License Holding Co., Inc.

Immediately prior to Comcast Corporation's acquisition of control of Newco, and following the redemption of NBC Telemundo Holding Co.'s stock interest in NBC Telemundo, Inc., all of the additional NBCU direct and indirect subsidiaries listed above will become attributable interest holders in the ownership structure of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License, Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP). In addition, all of these entities that are corporations will be converted to limited liability companies. (These conversions will occur just prior to the redemption of NBC Telemundo Holding Co.'s stock interests in NBC Telemundo, Inc.) Chart B attached hereto reflects the insertion of these entities into the attributable ownership structure.

The insertion of these entities into the attributable ownership structure, and the conversion of the corporate entities to limited liability companies, will be a *pro forma* change in control of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP) because GE will remain the ultimate parent company of these licensees.

#### **NBCU (NBC Universal, Inc.)**

As shown in the attached diagram (Chart A), NBCU is an indirect subsidiary of GE. Through subsidiaries, NBCU holds a minority voting stock interest in NBC Telemundo, Inc., the direct or indirect parent of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas Licensee LLC, and Station Venture Operations, LP).

Immediately prior to Comcast Corporation's acquisition of control of Newco, and following the redemption of NBC Telemundo Holding Co.'s stock interest in NBC Telemundo, Inc., NBCU will become the indirect parent of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP). NBCU will also be converted from a corporation to a limited liability company. Chart B attached hereto reflects NBCU's increased ownership interest, through subsidiaries, in NBC Telemundo, Inc. and the conversion of NBCU to a limited liability company. The increase in NBCU's ownership interest, through subsidiaries, in NBC Telemundo, Inc., and the conversion of NBCU to a limited liability company, will be a *pro forma* change in control of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP) because GE will remain the ultimate parent company of these licensees.

#### **B. Restructuring Above NBCU**

#### **NBC Holding/Navy Holdings/Newco**

As shown in the attached diagram (Chart C), NBC Holding (National Broadcasting Company Holding, Inc.) is a direct subsidiary of GE. Navy Holdings (Navy Holdings, Inc.) is a wholly owned subsidiary of NBC Holding and Newco (Navy, LLC) is a wholly owned subsidiary of Navy Holdings.<sup>11</sup>

Immediately prior to Comcast Corporation's acquisition of control of Newco, NBC Holding will contribute its 100 percent interest in NBCU to Navy Holdings, and NBCU will convert from a corporation to a limited liability company. Then Navy Holdings will contribute its 100 percent interest in NBCU to Newco. Chart D attached hereto reflects these changes in the ownership structure.

Each of these steps is a *pro forma* change in control of GE's four indirect television broadcast licensee subsidiaries (NBC Telemundo License Co., Telemundo of Puerto Rico, Telemundo Las Vegas License LLC, and Station Venture Operations, LP) because GE will remain the ultimate parent company of all of these licensees.

\* \* \* \* \*

All of the foregoing steps are *pro forma* in nature and will be completed immediately prior to Comcast Corporation's acquisition of control of Newco.

<sup>11</sup> Chart I also reflects the purchase of Vivendi's 20 percent interest in NBCU.
