Re: WNYM(AM), Hackensack, NJ
Facility Identification Number: 58635
Salem Media of New York, LLC
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed April 29, 2008, on behalf of Salem Media of New York, LLC ("SMNY"), for extension of the special temporary authority ("STA") granted on November 6, 2007, to operate Station WNYM (formerly WWDJ) pursuant to Section 73.1615.¹

Our review indicates that SMNY has completed construction authorized by Construction Permit BP-20050719AHN and is operating pursuant to Program Test Authority pending Commission action on its application for license to cover the permit. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
Audio Division
Media Bureau

cc: Salem Media of New York, LLC

¹ WWDJ is licensed for operation on 970 kHz with 5 kilowatts, unlimited hours, employing different directional antenna patterns during daytime and nighttime hours. (DA-2-U). Construction Permit BP-20050719AHN authorizes an increase in daytime power to 50 kilowatts and changes to the daytime pattern.
