TECHNICAL STATEMENT

This Technical Statement was prepared on behalf of Glynn County, Georgia ("Glynn County"), licensee of low power FM radio station WBHS-LP, Channel 285L1, Brunswick, Georgia. Glynn County has a construction permit for WBHS-LP to relocate the facility (BPL-20120131AAM). Exhibit A is a calculation of the transmitter power output for WBHS-LP.

There is one special operating condition/restriction listed on the WBHS-LP permit. This condition states:

*"The permittee/licensee in coordination with other users of the site must reduce power or cease operation as necessary to protect persons having access to the site, tower or antenna from radiofrequency electromagnetic fields in excess of FCC guidelines."*

Glynn County recognizes its responsibility in this matter and pledges compliance with this condition. Based on the foregoing, it is believed that all conditions have been satisfied and WBHS-LP has been constructed in compliance with the Commission's rules.
