Silent since November 1, 2016

Request for Extension of Special Temporary  
Authority to Remain Silent

Dear Ms. Marshall:

This letter concerns the request you filed on May 18, 2017, on behalf of Weber State University (Weber), for extension of Special Temporary Authority (STA) to permit FM Station KWCR-FM to remain silent.

Commission records reflect that Weber stated that Station KWCR-FM went silent on November 1, 2016, pending the proposed modification of its facilities. The previous STA was granted on November 23, 2016, and expired on May 22, 2017. Weber requests extension of its STA for continuing modification of its facilities. The request includes the appropriate certification regarding Section 5301 of the Anti-Drug Abuse Act of 1988.

Weber's request is granted. Accordingly, Special Temporary Authority is granted to permit Station KWCR-FM to remain silent until November 1, 2017. **Notwithstanding the grant of this Special Temporary Authority, the broadcast license for Station KWCR-FM will automatically expire as a matter of law if broadcast operations do not commence by 12:01 a.m., November 2, 2017.<sup>1</sup>**

Weber is required to notify the Commission when broadcast operations resume. If Weber does not file the notification of resumption of operations in a timely manner, the license may be subject to cancellation pursuant to Section 312(g) of the Communications Act, as amended.<sup>2</sup>

The station's silent status does not suspend the licensee's obligation to comply with all other relevant Commission rules, including the filing, when appropriate, of applications for renewal of broadcast license. Finally, we note that it is imperative to the safety of air navigation that any prescribed painting and illumination of the station's tower shall be maintained until removed.<sup>3</sup>

Sincerely,

Lisa Scanlan  
Assistant Chief, Audio Division  
Media Bureau
