FCC Form 346 - Application for Authority To Construct a Low Power
Television Station

Dear Officer:

Attached is our FCC Form 346 for a new station in Wadena, Minnesota. As per your letter of October 31, 2001 stating of our compliance with Section 311(c) of the Communications Act and Section 73.3525 of the Commission's rules.

The attached application is being submitted after reaching a mutual settlement between Three Angels Broadcasting Network and Michael John Sullivan. Both parties have submitted a settlement agreement to resolve the mutual exclusivity among the applications (MX Group 264). The settlement calls for the applicants to accept interference from each other's proposed facilities.

FCC Form 159 with our \$570.00 fee is also being submitted by e-file at this time.

If any further information is necessary to process this application, please do not hesitate to contact me.

Sincerely,

Moses Primo
Director of Broadcasting
Operations and Engineering
