FCC Form 316 -- *Pro Forma* Assignment

This application seeks Commission consent to the *pro forma* assignment of the construction permit for radio station KHDR(FM), Lenwood, California (Facility ID No. 89344) (the "Station") from Lenwood Broadcasting LLC to The Drive LLC. 1/

As detailed in Exhibit 10 of this application, 42.6 percent of the Station's voting rights will change hands as the result of the proposed assignment to the Drive LLC. Additionally, and again as detailed in Exhibit 10, the previously approved principals of Lenwood Broadcasting LLC will retain more than 50 percent of the voting rights in the proposed permittee. Specifically, KHWY, Inc., Point Broadcasting Company and Lormat Communications will retain 69.2 percent of the voting rights in The Drive LLC. Accordingly, the proposed assignment is *pro forma* and the use of FCC Form 316 is appropriate. See Instructions for FCC 316 at General Instruction B.

1/ An application for a license to cover the KHDR(FM) construction permit was filed on December 10, 2002 (FCC File No. BLH-20021210ACA) and remains pending. KHDR(FM) is currently operating pursuant to automatic program test authority. Additionally, a related application seeking consent to the *pro forma* assignment of KHRQ(FM), Baker, California (Facility ID No. 89128) from Baker Broadcasting to The Drive LLC has been filed contemporaneously herewith.
