To the Mass Media Bureau, Federal Communications Commission:

On June 8, 2000, the FCC received an application for a Low Power FM license I filed on behalf of Independent Minority Broadcast Productions (IMBP) in Anchorage, AK. The file number assigned was BNPL-20000605AEK.

Since that date, IMBP has ceased operations. IMBP is unable to fund, build or operate the Low Power FM station as proposed.

In view of the fact that should IMBP be granted a permit to construct the requested facility, IMBP is unable to construct the station, IMBP hereby respectfully requests that the Commission withdraw the aforementioned application.

Yours truly,

Russell Miller, Chief Volunteer
IMBP
